# LOVE SQUARED

*Wrap Macarthur in love*

Here is the perfect pattern to create 10" squares that when donated will go on to create wonderful winter blankets for those in need.

Did you know it takes approx. 28 squares to make an adult sized blanket?

## TIPS

Squares can be knitted or crocheted

We suggest 8 Ply yarn and 4mm (No 8) acrylic needles

Remember to check your tension to make sure your square measures 25cm (10 inches)

Start each ball of yarn at the beginning of each row, and sew in ends and don't cut your ends too short.

## KNITTING A STANDARD SQUARE

Cast on 50-55 stitches and knit each row plain i.e garter stitch. Don't knit one row plain and one row purl (stocking stitch) as your square will curl.

When the edges of your work measure 25cm (10 inches) cast off.

## KNITTING A SQUARE ON THE DIAGONAL

Cast on 3 stitches

Row 1 : K1. Increase 1 in next stitch, knit to end of row

Repeat Row 1 until side measures 25cm (10 inches)

Next Row: K1, K2 together, knit to end of row.

Repeat this row until 3 stitches remain. Cast off.
